## MANAGERIAL GRID

The Office of Training announces the rescheduling of the Managerial Grid for the remainder of 1975.

It has become necessary for OTR to revise the previously announced schedule of Managerial Grid runnings.

The running scheduled for 17-22 August will not be held. The courses originally planned for 22-27 June and 19-24 October will be given on other dates. The 14-19 December running will be held as scheduled.

The revised Managerial Grid schedule for 1975 is as follows:

8-13 June 1975  
5-10 October 1975  
14-19 December 1975

Requests submitted for the previously scheduled runnings will be honored and given first consideration in filling the rescheduled courses. However, because this course is heavily oversubscribed, a previously submitted request will not assure the applicant a place in the requested course running.

The Management and Administrative Training Branch will notify Training Officers of those applicants who have been selected.
